

Decision Tree for SPEEDE and/or NSC Reverse Transfer Solutions- 4 YR institutions

Do you currently send SPEEDE transcripts in high volume to two-year schools?

YES: For RT, be sure to use the RT specification when sending the SPEEDE files for RT purposes

NO: Are you able to create a file of course/grade/students data to send to NSC at end of term for your two-year feeder schools?

SPEEDE Solution
1. Use code ERP02=B50 to flag transcript as reverse transfer
2. In header section include NTE/9TX/RT=ReverseTransferTranscript
3. Contact the TACRAO Technology Committee for details.

NSC Solution
1. Contact Vanessa Brown, vbrown@studentclearinghouse.org, for more details
