Overview

The Illinois Nursing Programs of Study Evaluation project evaluated two nursing demonstration sites to determine their successes and barriers to implementing Programs of Study (POS, <http://occril.ed.uiuc.edu/projects/perkins/perkins.asp>).

Goals

This evaluation project addressed the following goals:

- Identify the strengths, weaknesses, successes, and barriers to engagement in Program of Study model development.
- Provide recommendations on the state's initial plans to implement Programs of Study and review state-produced documents, such as agendas, reports, and resource materials for Pathway Development Teams.

Products

- Tools to assist with implementation and evaluation of Program of Study.

Funder

The Illinois Community College Board (<http://www.iccb.org/>).
